

## Chesterfield County, Virginia

### Memorandum

**DATE:** September 8, 2003

**TO:** Members of the Chesterfield Planning Commission

**FROM:** Joan Salvati, Water Quality Administrator

**SUBJECT:** Revised Chesapeake Bay Preservation Ordinance

The Commission had scheduled a September 16, 2003 work session to discuss proposed revisions to the Chesapeake Bay Preservation Ordinance. You may recall that this effort is being undertaken because the state regulations pertaining to the Chesapeake Bay Preservation Act were amended. The County's implementing ordinance for the Act, therefore, must be amended to reflect these changes. Prior to bringing the ordinance forward for the Commission's consideration staff will be conducting a meeting with various groups who will be affected by the proposed changes. Accordingly, we propose deferring consideration of the draft ordinance amendments to the to the Commission's October meeting.
